

Dorian

CH-400~CH-431

Our Dorian fixtures are beautiful combinations of classic styling and contemporary lamping options. They feature heavily detailed and embossed cast brass ornamentation throughout all the fixture designs with arms, canopies, bands, support stems, and bottom finials. Bowls come in an array of acrylic alabasters and etched solid materials. The glassware we show may be found in our Spec Options Guide under "Glassware..4". We do recommend a top lens when ordering the fluorescent options. Top lenses are standard with LED lamping. Consider optional downlights for extra output.
