Corbin

2701-PC~2716-PC

Our Corbin fixtures are a direct result of current architectural trends in the early 2010's. We show Corbin as an option for those auditoriums with significant ceilings looking for a tall slender fixture to integrate into the overall design. These lights stay thin. The pendants run from 30" to 82" in length while at the same time maintaining a consistent 9" diameter. They create plenty of light within that thin cylinder, and especially the downlight of the pendant version. The larger of the LEDs will produce almost 13,000 lumens of warm and quite powerful light to the floor.

~Corbin Series~

Chandelier:2741-CHC~2772-CHC
Pendant:2701-PC~2716-PC
Ceiling Mt:2704-CC~2717-CC
Wall Mt:2701-WC~2713-WC
S-Pendant:2703-SC~2715-SC

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.
